JEWISH NATIONAL FUND NEWS: The Yom Kippur Land Fund Campaign for year 1964 is under the chairmanship of Mrs. B. (Sue) Pierce. Hadassah volunteers will canvass the community on Sunday, September 20.

The Jewish National Fund has embarked upon an extensive and fruitful enterprise to convert desert wastes into rich farmland. This task is of tremendous importance to the State of Israel, opening its gates wide to thousands of Jews from all parts of the Diaspora, for whose absorption land must be prepared. There is no greater honour for a Jewish family than to link its name with the Land of Israel. Please give us your full co-operation and support.

To each and everyone in the Jewish Community of Edmonton we wish a very happy, healthy and prosperous New Year.

PERSONALITY PARADE

There must have been a glow of pride in every Jewish home in Edmonton when the University of Alberta announced the appointment of Dr. Max Wyman as vice-president. As far as is known, this is the highest university administrative post which has been achieved by a Jew in Canada. The fact that an Edmontonian was given this honour make this community even happier.

Ethel Marliss' outstanding work in the Canadian Association of Consumers was recognized this summer when she was made a member of the Federal Government's Consumer Council. Every housewife, indeed every person, in Canada will be watching the work of this Council with interest. We know that Mrs. Marliss will make an invaluable contribution to this body's deliberations.

Edmonton's and Hollywood's Art and Gwen Miller visited their families in Edmonton this summer. Arthur was the subject of several radio, television and newspaper interviews.

Freda Slutsky, Edmonton Mizrahi's hard-working president has been signally honoured by the World Mizrahi Women. She has been picked to represent

Canadian Mizrahi Women at a World Mizrahi Seminar in Israel. She leaves September 25 to spend 23 days in the Jewish State for which she has worked so hard. A well-deserved honour!

Tevie Miller has been appointed a member of the Banff School of Advance Management Advisory Committee.

Off to Israel for a one year's study in the Jewish Agency Leadership Institute are Young Judacans Milton Bogoch, Ben Landa, Gail Parkes and Sheldon Schloss. This is the largest contingent which has ever gone from Edmonton. We look forward to their return one year hence.

Edmonton B'nai B'rith Lodge No. 732

Shalom! Welcome back to another season of community activity.

Before we rush on to some of the plans your executive have in mind for 1965, let us pause a moment to note some highlights since our last report. The fourth annual Citizenship Awards Dinner was an outstanding success. Past President M. I. Lieberman, Q.C., became the first recipient of the newly-created "Gold Menorah Award", in recognition of a half century of dedicated service to B'nai B'rith and the community of Edmonton. Henry Singer, another lodge past president, is the "Citizens of the Year", and was tendered an ovation for his inspiring leadership of the U.J.A. The Ben B'rith of the Year is Past President Henry Bernstein, and Michael Goldberg got the nod for the "Youth Volunteer Award" Mazel Tov to all, and also the other nominees, dedicated workers all.

The district Grand Lodge No. 6 Convention, in Milwaukee in June, was attended by newly-elected Lodge President, John Goldberg, Past Presidents Dave Wolochow and Morris Lyons, Council BBOY Chairman Herb Leon, and NWCC Prexy Dave Mintz. This convention, together with the NWCC Executive Meeting held in Edmonton in July, will be the subjects of special lodge reports.

District President Ben Z. Nudelman of Chicago will visit our community on October 9 at which time he will present the new Ben Zvi Chapter of A.Z.A. with their charter. On Tuesday evening September 22 the Lodge officially inaugurates the 1964-65 season with a "Vice President's Party". The annual Smorgasbord will take place at Beth Shalom Auditorium on the evening of Saturday, 31 October, this time with a Hallowe'en theme. Brother Milt Sorokin is overall chairman of this affair, one of the top social functions of the community. Call Milt or one of the executive for an advance ticket.

The annual Seminar will be in Prince Albert over the Thanks-

giving Holiday weekend. Committee chairmen particularly should plan to attend this Workshop Session. Camp B'nai B'rith at Pine Lake enjoyed another successful season. A full report will appear shortly.

Mazel Tov to: Dr. Max Wyman on his appointment to the office of Vice President of the University of Alberta, in Edmonton. Brother Mackie once held the same position in our Lodge and will be suitably recognized at an early meeting; Past President M. I. Lieberman, Q.C., on his appointment — again — as Israel Bond Chairman; Past President Dave Wolochow, appointed District Co-Chairman Citizenship, Veterans and Community Affairs Committee.

Our Lodge Second V.P., Dr. Eli Adler, has accepted the post of Program Chairman, and has ideas for entertaining events. Watch for future meeting notices.

FLASH—Brother Dan Podersky topped all golfers at the Annual Golf Toruney held at Glendale, to take the Fred Podersky Memorial Trophy. With a three-way tie for low net, Sam Belzberg bowed out to a superior officer, President John Goldberg, who finally edged Nortie Finkelstein in a gruelling test, by one stroke, after an extra nine holes . . . on the putting green. Lou Podersky and Irving Lyons took home prizes in special events.

Curling is just around the corner. How about joining in the fun? The N.W.C.C. Bonspiel will be in Edmonton this season.

The officers and executive extend to all Lodge members, and the community, best wishes for a year of good health and happiness.

TALMUD TORAH NEWS

Three hundred and seventy six students, the most in the Talmud Torah's history, started their school term in the first week of September. Day school classes ranged all the way from nursery to grade 7. The grades 7, 8, 9, and 10 night school were scheduled to begin on September 14.

Biggest news is the Talmud Torah's new grade 7. The class of 12 students is housed in a bright new classroom, especially designed for a junior high school group. The well-appointed room includes a portable science laboratory, extra map boards and its own private cloak room. The Board of Education announced that Mr. Jack Switzer, who has taught in the Calgary High School System, has been engaged as the grade 7 secular teacher. Mr. Switzer holds degrees from the University of Alberta and the University of Manitoba. In addition to Mr. Switzer's instruction in the full grade 7 curriculum, the students will receive courses in Physical Education and in French. The first few days of

classroom work have shown a remarkable capacity by the students to absorb their secular antees an excellent education program for these young pioneers.

The Junior Congregation will start service the first Shabbat after Sukkot, October 3.
